Public Tender	

ANNEX XIIIc.

Equipment – Age of the Equipment (T2b)

[referred to in point b) subparagraph 6. paragraph 1) of Article 3.5.3]

The age of the equipment (≤ 10 years) available for baggage and ramp handling must be indicated in the table below, considering the expected demand for the first year of activity by the tenderers at Aerodrome Zagreb/Franjo Tuđman (LDZA).

Data related to the number/percentage of equipment with age less than 10 years should be entered in excel Table - Annex XIIIc. The data must also be consistent with Annex XI regarding the Business plan as well as Annex XVII and your qualitative concepts.

The tenderer is bound by the proposal presented in this Annex. However, amounts can be adjusted to ensure the provision of services in accordance with the contracted quality levels, effective demand, and the conditions existing at the airport.
