

 Croatian Civil Aviation Agency	<b>Selection of the second Ground Handling Service Provider</b> Public tender for ground handling service for categories 3 and 5 Aerodrome Zagreb/Franjo Tuđman (LDZA)
Public Tender	

## ANNEX XIIIb.

### Equipment – Environmentally friendly equipment (T2a)

*[referred to in point b) subparagraph 6. paragraph 1) of Article 3.5.3]*

As a percentage, the table below must indicate the most environmentally friendly equipment available for baggage and ramp handling, considering the expected demand for the tenderer's first activity at the Aerodrome Zagreb/Franjo Tuđman.

Data related to the number/percentage of environmentally friendly equipment should be entered in excel Table - Annex XIIIb. The data must also be consistent with Annex XI regarding the Business plan as well as Annex XVII and your qualitative concepts.

The tenderer is bound by the proposal presented in this Annex. However, amounts can be adjusted to ensure the provision of services in accordance with the contracted quality levels, effective demand, and the conditions existing at the airport.

*Template available in excel file – Annex XIIIb – Table 1*

T2a - Environmentally friendly equipment	Service Category	Total Equipment*	Total Electrical Equipment*	Percentage (%)
Baggage tractor	3			
Belt loaders	5
